ZABAR'S®

Kitchengear For Chefs, Cooks & Gourmets

2245 Broadway (@80th Street) * NYC * 10024 (212) 787.2000

It was 30 years ago that Zabar's changed the way the Chefs, Cooks and Gourmets shop.

In 1978 we opened The Mezzanine. We stocked our second floor with the best names in housewares at the best prices anywhere.

Today we continue to offer Chefs, Cooks and Gourmets the finest in cookware, small kitchen appliances, dishes, glassware and gadgets at prices that can not be beat.

We love all that has to do with food. We love cooking great food almost as much as we enjoy selling it. In our Mezzanine you will find the one of largest selections of French copper cookware, kitchen gadgets, all kinds of pots and pans, kitchen towels and the best pot holders you'll ever see from every corner of the world. We even sell fans and air conditioners in the summer and heaters and humidifiers in the winter.

If it has to do with cooking, or items for your kitchen you'll find it in our Mezzanine - and you'll find it at a price that makes walking up the stairs worthwhile.

This catalog is just a sampling of some of the items available. To see more of our selections visit us at 80th & Broadway or online at www.zabars.com.

Everything the home chef could want: quality, style & function in one 11-piece set of cookware —***it's the perfect union!***

MARCUS™ | Unity

EXCLUSIVELY MADE IN THE U.S.A. BY Regal Ware Worldwide™

Quality, Style & Function —UNITED!

Professional **tri-ply stainless steel** 2 quart and 3 quart covered saucepans deliver gentle even heat to the entire cooking surface and up the sides, making them ideal for all kinds of cooking, but essential when preparing delicate sauces, gravies and chocolates. Steaming is made easy with the **stainless steel steamer insert** that fits both saucepans.

For hearty long-simmering stews, roasts, and casseroles nothing performs like our **heavy-duty solid cast aluminum** 5 quart stockpot with stainless steel cover and **Eco-Satin™ Non-PFOA nonstick coating.** The matching 9-inch ribbed **square griddle** is perfect for grilling sandwiches, fish or meats.

The **stainless steel** 10-inch covered saute pan and 8-inch fry pan with **Eco-Satin™ Non-PFOA nonstick coating have thick aluminum capped bottoms.** This construction makes them the right tools to deliver intense direct heat at the pan base, where it is most needed when searing meats and sauteing.

And, bringing it all together are the **heavy-duty stay-cool cast stainless steel handles,** permanently riveted to every pan.

Inspirations from everyday life

A. ZUTTO® COFFEE MAKER
Features a removable water tank and water filter that lasts up to 2 years under normal use. Brews up to 5 cups of coffee and features automatic keep warm function. **#EC-DAC50 $69.98**

B. THE NEURO FUZZY® RICE COOKER & WARMER
Features the advance Neuro Fuzzy® logic technology, which allows the rice cooker to "think" for itself and make fine adjustments to temperature and heating time to cook perfect rice every time. The spherical inner cooking pan and heating system allows the heat to distribute evenly and cook rice perfectly. It also features different settings for cooking white rice, brown rice, and porridge. Other features include automatic keep warm, extra large LCD display, clock and timer function, detachable inner lid and stay cool side handles. 5.5 cup capacity. **#NS-ZCC-10 $194.98**

C. THE INDUCTION HEATING SYSTEM RICE COOKER & WARMER
Uses high-tech induction heating (IH) to heat the inner cooking pan. Because of this new heating method, rice cooks exceptionally well. The IH Rice Cooker also features easy-to-clean clear coated stainless steel exterior, healthy cooking options such as brown rice, Gaba brown, and germinated brown rice settings, and an interchangeable melody and beep signal. Other features include automatic keep warm, extra large LCD display for Clock and Timer functions and detachable inner lid. 5.5 cup capacity. **#NP-HBC10 $309.98**

D. THE MICOM WATER BOILER & WARMER
Features four keep warm temperature settings: 140°F, 175°F, 195°F and 208°F. Its energy-saving timer function (6-10 hours) automatically turns on the boiler at a later time to save electricity, and the cafe drip dispensing mode allows slower dispensing. Other features include one-touch electric dispensing system for easy dispensing and an easy-to-read LCD display that shows actual water temperature at all times. **#CD-WBC40 $127.98**

E. THE HOME BAKERY MINI BREADMAKER
The Home Bakery's Mini Breadmaker's 1 lb. loaf is the perfect size for smaller households to savor the taste of freshly baked bread every day without waste. Its compact design also makes it ideal for kitchens with limited countertop space. Select from three bread textures - regular, firm or soft. Also prepares dough, cakes, jams, cookie and pasta dough. **#BB-HAC10 $189.98**
